Boonville embarks on Comprehensive Plan update

**#movingboonvilleforwardtogether.** The Boonville Town and Village Boards invite everyone to meet the Boonville Comprehensive Plan Committee (BCPC) on Thursday, February 15, 2024 from 7 – 8 pm. The meet and greet will be at the Boonville Office Building, 13149 State Route 12 in Boonville.

The Town and Village of Boonville Boards are gearing up for a significant update to their 2009 comprehensive plan, a roadmap that will shape the community's future. This endeavor comes as a response to the ever-evolving needs and aspirations of the residents. To begin the process, a 9-member volunteer committee was formed and appointed to duty by the Town and Village Boards to complete tasks involved to update the 2009 Comprehensive Plan for Boonville.

ACTIVE COMMUNITY INVOLVEMENT is one of the cornerstones of this initiative. Residents, businesses, and local organizations will have a crucial role in shaping the plan. Town hall meetings, surveys, and workshops will provide a platform for diverse voices to be heard fostering a sense of collective ownership in the new plan.

A Boonville survey will be available soon, please check your mail and local social media for your opportunity to complete this important survey to be used as a tool to steer the Boonville community positively forward. The survey will be available on the 15<sup>th</sup> at the Boonville public meeting as well. Once you have completed your survey drop off locations are Stewarts on Main and Post Streets, Community Bank on Main and the Boonville Office Building and drop box.

The world is constantly changing, and municipalities must evolve to meet new challenges. The updated comprehensive plan will reflect the municipality's commitment to adaptability, incorporating strategies that address emerging issues such as sustainability, technological advancements, and our community's well-being.

The comprehensive plan update is an outlook for the future of the Town and Village of Boonville community as a whole. As the municipality updates its comprehensive plan, a more resilient community will be among the positive outcomes. The plan aims to create an environment for everyone to thrive, fostering economic growth and ensuring a high quality of life for all and serve as a guiding document that shapes development, preserves cultural identity, and fosters a sense of community pride.

Regular updates and various communication networks will keep residents informed of progress as the Boonville Comprehensive Plan Committee works to update the comprehensive plan for Boonville. we invite input from residents in creating a shared vision for the future. This collaborative effort marks a significant step towards a more resilient, sustainable, and thriving Boonville.

We are excited to meet and discuss ideas with all on Feb. 15 to keep **#movingboonvilleforwardtogether**
